

Annual Notifications

Indoor Air Quality

West Central Area School District advocates a healthy school environment in which the surroundings contribute to an environment conducive to learning for students, and productivity for teachers and staff. To help accomplish this, we have implemented an IAQ Management Plan using guidelines provided by the Minnesota Department of Education, and the “Tools for Schools” document developed by the U.S. EPA. Mr. Norenberg, Buildings and Grounds Director, is the IAQ Coordinator for the West Central Area School District. He is trained and certified by the Minnesota Department of Education to fulfill this position. All issues concerning indoor air quality should be brought to Mr. Norenberg’s attention. Mr. Norenberg can be reached directly at 320-528-7404.

Asbestos Notification

In accordance with federal regulations, West Central Area School District has management plans documenting the location and condition of all known or assumed asbestos containing materials (ACM) in each of the West Central Area School District buildings. Every six months, an accredited inspector visually inspects the condition of the ACM. The management plans are available for public inspection at the respective buildings during normal business hours. Mr. Norenberg, Buildings and Grounds Director is the Designated Person, responsible for maintaining the asbestos management plans for all West Central Area School District locations. Mr. Norenberg can be reached directly at 320-528-7404.

Pesticide Notice

A state law went into effect in the two thousand that requires schools to inform parents and guardians if they apply certain pesticides on school property. West Central Area School District performs any application of pesticides before or after regular school hours. WCA School District has complete information on all pesticide products used in the buildings. Parents may review or copy this material at their own expense. If a parent or guardian wishes to be notified prior to any pesticide application made (excluding emergency applications) contact: Mr. Norenberg, Director of Buildings and Grounds, West Central Area School District, 301 County Road #2, Barrett, MN 56311; phone: 320-528-7404.

Lead in Water Notification

Minnesota Statute 121A.335 requires public school buildings serving pre-kindergarten through grade 12 to test for lead in water every five (5) years. This Statute also requires school districts to make the results of the testing available to the public for review and notify parents of the availability of the information. Any lead testing results are available for viewing upon request. To request information contact: Mr. Norenberg, Director of Buildings and Grounds, West Central Area School District, 301 County Road #2, Barrett, MN 56311; phone: 320-528-7404.
